10 Preston Close, CV 8DF Coventry

## CAREER OBJECTIVE

Diligent university graduate with a Bachelor of Science (BSc) in Pure Mathematics/Statistics, currently pursuing a Master's degree in Statistics at the University of Warwick, with over two months of practical work experience. Aiming to leverage academic experience and a proven knowledge of data collection, manipulation, and visualisation to successfully fill the Data Scientist role at your company. Frequently praised as detail-oriented and efficient by my colleagues, I can be relied upon to help your company achieve its goals.

## EXPERIENCE

### ABERYSTWYTH UNIVERSITY

*Finance Data Analyst, Jun 2021 – Aug 2021*

- Collecting, clearing, maintaining, visualising, and analysing stakeholders' data about future projects, grants, capital, and revenue spending.
- Enabling different financial scenarios simulations by priority amendments and automating their influence on the implementation waves and dates.
- Extracting and processing the FTE numbers data from various sources for the benchmarking exercise.
- Preparing Power Bi reports displaying outcomes of the analysis.
- Resolving issues and inconsistencies within the data by contacting stakeholders and university partners.

*Cleaning Operative, Oct 2018 – May 2021*

- Cleaning all specified areas within the time allocated and to the standards required.
- Ensuring all work is carried out in a safe, proper, and thorough manner taking into account Health and Safety legislation, policies and procedures and risk assessments.
- Preventing the spread of Covid-19 by sanitising the campus and residential buildings.

## EDUCATION

### ABERYSTWYTH UNIVERSITY

*Bachelor of Science (BSc) in Pure Mathematics/Statistics, First Class Honours*

- **Relevant Coursework:** Linear Statistical Models (99%), Stochastic Models in Finance (99%), Applied Statistics (94%), Numerical Solution of Partial Differential Equations (96%).
- **Awards & Honours:** 2021 IMA Graduate Prize, Pennington Pure Mathematics Memorial Fund, V C Morton Prize in Mathematics, Peter Hancock Scholarship, Collin Easthope Prize in Mathematics, Mathematics Departmental Scholarship, Open Scholarship, Polish Prime Minister Scholarship.
- **Extracurricular Activities:** Peer Guide and Help Desk Assistant, Vice-president and Teaching Coordinator of the Dance Sport Society, STEM Associate.

## KEY SKILLS

R

Python

PostgreSQL

MS Excel

L<sup>A</sup>T<sub>E</sub>X

LaTeX

MS Power Bi

## CERTIFICATIONS

- Data Scientist with R Track (DataCamp, Jun 2021),
- Data Analysis in Excel and Introduction to Power Bi (DataCamp, Jun 2021),
- Institute of Mathematics and its Applications (Associate Membership).
